Main Narrative**OFFICER GREGORY MEINHARDT (115)**

Charles and Hien came to the station to report harassment from Tho. Charles told me that he and Tho have been doing business together for a little bit. Tho has been coming by the house while Charles is not home to harass Hien about money. The harassment has led to Tho trying to make inappropriate advances towards Hien. Hien did not know what to do and finally told Charles. There are also text messages from Tho that are sexual in nature.

I advised them that I will contact Tho to tell him he is not to have any more contact with them. Charles also asked me to let him know any business issues can be solved by lawyers. I also told Charles and Hien that if he is to contact them again or come to the house to harass to call 911.

At 1550 I spoke with Tho. I advised him of the complaints. He told me that Hien has harassed his wife. I told him that it is a warning to leave them alone or he could be cited.
